

Low profile to save space! Quickly change the gender, or join two cables together. Save the cost and hassle of buying a new cable by just changing the gender of your port and using the cable you already have. Each changer is molded and fully shielded, preventing any unwanted EMI/RFI interference caused from office equipment.

## Features & Benefits

Changes the gender to join two cables together

Molded design provides a solid connection

Fully shielded against outside EMI/RFI interference

## Specifications
