C2G

Discontinued - 12-Port Cat5E 110-Type Cross-Connect Patch Block

Part No. CG-03865

This patch panel is made for optimum performance with black electrostatic powder-coated steel and 50 micron gold-plated contacts. Every panel comes with 110-type termination, while meeting and exceeding EIA/TIA TSB-40 Cat5E connecting hardware specifications. The clear numbering on both the front and back of each panel provides a quick, easy way to identify cable runs. This patch block accommodates top, bottom or side cable entry, and it also has a write-on designation label with a clear holder on the front and the rear.

Please Note: For easy installation, use the wall mount bracket (item #03866) sold separately.
