# C2G
**35in Vertical Cable Management Rack**
Part No. CG-03748

Prevent your relay rack from becoming an unmanageable web of wires. Patch cords can be easily coiled and placed inside the panel, and the connector can be threaded through the flexible plastic "fingers" to patch panels or network electronics. Finally, keep your rack neat with cable management products from C2G, formerly Cables To Go. Easy to install with this space-saving design.

## Features & Benefits

Allows for an organized and professional look to a rackmount

Flexible plastic "fingers" to manage cabling

Easy installation with this space-saving design
