# Discontinued - 1U Horizontal Cable Management Panel with 5 D-Rings

Part No. CG-14593

This Horizontal Cable Management Panel is an idea solution for managing cables within a rack or cabinet in a wide variety of applications. This panel features five horizontal distribution rings which are constructed of steel and support a fill capacity of up to 60 Category 6 cables. In addition to cable management, this panel closes off open spaces in the rack, promoting proper airflow.

## Features & Benefits

- Provides organized management of patch cables horizontally
- D-rings constructed of steel
- Maximum ring fill capacity using Category 6 cable is 60 cables
