

The HDMI, VGA, 3.5mm and Keystone Pass-through Wall Plate is perfect for the transition to in-wall cabling. The HDMI pass-through port includes a thin, flexible HDMI pigtail that accommodates the tight bend radius required for installations within a standard junction box. The keystone allows for integration with new or existing cable infrastructure for telephone or Ethernet. Constructed of aircraft grade aluminum, this wall plate is designed for durability and a long life.

Features & Benefits

Durable aluminum construction

Flexible HDMI pigtail for easy installation in a wall box

Passive pass through design

Designed for use with standard wall boxes or mud rings

Specifications

General Info

Product Line	C2G	Color	Aluminum
UPC Number	757120397052	Country Of Origin	Vietnam
Application Sector	Commercial, Residential	Warranty Type	Lifetime
Type	Wall Plate		

Dimensions

Product Width US	2.76 in	Product Height US	4.53 in
Cable Length	4.33 in
