

Protect your electronics investment without breaking your budget. This surge suppressor guards against damaging spikes and surges, providing a secure barrier for your sensitive electrical equipment and precious data. The negative effects of Electromagnetic and Radio Frequency Interference (EMI/RFI) are also kept in check by a built-in noise filter.

Wall-mountable, impact-resistant ABS plastics keep the unit looking good for years to come. 14 AWG suppressor power cord is 4 feet long. For indoor use only. Plus, three outlet saver extension cords are included to keep your surge suppressor and UPS outlets from being blocked by bulky AC transformers!

Suppressor Input: Six NEMA 5-15 Female

Features & Benefits

Secure barrier: Provides a secure barrier for sensitive electrical equipment and data.	EMI/RFI noise filter: Keeps the negative effects of Electromagnetic and Radio Frequency Interference in check.
Wall-mountable: Can be easily mounted on the wall.	Impact-resistant ABS plastics: Ensures durability and keeps the unit looking good for years.
