C2G
3ft (0.9m) Value Series™ RCA Stereo Audio Cable
Part No. CG-40463

Make the right choice to connect any source with composite audio (left/right), to your TV, monitor or a/v receiver. Ordinary "included in the box" audio cables often use low quality materials with inferior shielding that can result in poor quality. But our RCA cables deliver all the detail you expect from your audio equipment.

The dual conductor is spiral-wrapped with tinned copper, which provides shielding against EMI and RFI interference. The connectors are color-coded for easy installation and identification and provide excellent strain relief.

Features & Benefits

Supports RCA Stereo Audio

Shielded to help reduce interference

Fully molded connector and strain relief

Color coded connector

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120404637	Country Of Origin	China
Features	Color-Coded	Application Sector	Commercial, Residential
Warranty Type	Lifetime	Type	Cable

Dimensions

Product Length US	3.0 FT	Cable Length	3 ft

Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Cable Type	Audio
Jacket Rating	Standard / Non-Rated	Adapter Rear	RCA Stereo Audio Male
Adapter Front	RCA Stereo Audio Male
