

C2G 12ft (3.7m) 3.5mm Right Angled M/M Stereo Audio Cable Part No. CG-40585

The 3.5mm right angle stereo audio cable is specifically designed for quality computer audio applications. It connects a PC sound card, MP3 player or any mini-stereo audio device with 3.5mm jacks to a multimedia speaker. This cable features two copper conductors and a drain wire. The conductors and drain wire are wrapped with a foil shield which prevents unwanted EMI/RFI interference. Fully molded nickel-plated connectors provide excellent strain relief for durable use.

Features & Benefits

Right angle connector for installations in tight spaces		Carries a Stereo Audio signal	
Shielded to help reduce i	nterference
