

## C2G DB9 Male to DB25 Female Serial RS232 Serial Adapter Part No. CG-02449

An inexpensive alternative to buying a new cable. Use this adapter to convert a DB9 port to DB25 or vice versa. The molded design provides a solid connection, and each adapter is fully shielded against outside EMI/RFI interference. With its straight-through design, this adapter is 100% compatible with all serial devices.

## Features & Benefits

Adapt a DB9 port to DB25 or vice versa

100% compatible with all serial devices

Fully shielded against outside EMI/RFI interference
