C2G

1U Single-Sided Horizontal Cable Management Panel (TAA Compliant)
Part No. CG-14596

This Single-Sided Horizontal Cable Management Panel is an ideal solution for managing cables within a rack or cabinet in a wide variety of applications. This panel is designed to mount on any 19in EIA style rack or cabinet and features a unique finger design that protects cables from damage while the cover mounts with six hinge clips to allow the door to be opened one handed without becoming unhinged. The fingers begin 3/4in from the face of rack to provide bend limitation for cables to protects cables, equipment and network performance. This panel includes four #12-24 equipment mounting screws so there are no additional parts to order.

Features & Benefits

Available in 1RU and 2RU sizes	Four #12-24 equipment mounting screws provided
Fingers begin 3/4in from the face of rack to provide bend limitation for cables	Included hinged cover mounts with six heavy duty clips
