

This Hinged Wall Mount Bracket is an ideal solution for mounting network and telecom patch panels in applications where space is a premium and a full size rack or cabinet cannot be used. The mounting rails feature #12-24 threaded EIA hole pattern which are standards compliant to mount 19in panels and the panel may be swung out for easy access to the cable connections in the rear. A cable egress hole at the back of the bracket allows cables to be easily transitioned from inside a wall to the mounted panel. This bracket ships fully assembled and is ready for a quick and easy installation.

## Features & Benefits

Low profile saves space

Hinged for easy access

Rear access holes for mounting

Keyhole mounting holes

#12-24 threaded EIA hole pattern

## Specifications

### General Info

Product Line	C2G	Color	Black
UPC Number	757120146216	Country Of Origin	United States
Application Sector	Commercial, Industrial	Warranty Type	Lifetime
Type	Mounting Bracket		

### Dimensions

Product Width US	19.0 in	Product Depth US	6.0 in
Product Height US	5.25 in		

### Technical Information

Rack Units	3
