

C2G 35ft (10.7m) Cat5e Non-Booted UTP Unshielded Ethernet Network Patch Cable - Plenum CMP-Rated (TAA Compliant) - Gray Part No. CG-15234

Strict building code requirements for cabling in plenum spaces have created installation challenges in settings such as schools, hospitals and other commercial buildings. C2G has expanded its connectivity portfolio to include a line of cables that are ideal for routing through plenum space above dropped ceilings or under raised floors.

Applications include voice/data/video distribution; this cable will handle bandwidth-intensive applications. Meets all Cat5E TIA/EIA standards, and reduces both impedance and structural return loss (SRL) .

Constructed from high quality plenum cable, this design minimizes Near-End Crosstalk (NEXT) levels. Available in Gray, Blue and Black to easily color-code your network installation.

Features & Benefits

Features & Benefits			
Rated for Plenum, in-wall installations		Cat5e cable with standard RJ45 connectors	
Available in lengths	up to 100ft		
Specifications			
General Info			
Product Line	C2G	Color	Gray
UPC Number	757120152347	Country Of Origin	United States
Application Sector	Commercial, Industrial, Residential	Warranty Type	Lifetime
Туре	Cable		
Dimensions			
Product Length US	35.0 FT	Cable Length	35 ft
Buy American Act Compliance			
TAA Compliant	Yes		
Technical Information			
Jacket Material	PVC (Polyvinyl Chloride)	Jacket Application	Plenum Rated
Cable Type	Ethernet Patch Cable, Unbooted, Unshielded (UTP)	Jacket Rating	CMP Rated, FT6 Rated
Adapter Rear	RJ-45 Male	Adapter Front	RJ-45 Male
