

## C2G 1ft (0.3m) Cat5e Snagless Unshielded (UTP) Ethernet Network Patch Cable - Yellow Part No. CG-22105

For fast Ethernet networks that require bandwidth-intensive voice, data, or video distribution applications. Meets all Cat5e TIA/EIA standards, and drastically reduces both impedance and structural return loss (SRL). Each of the individual pairs is bonded together to help maintain the twist-spacing throughout the line right up to the termination point. Constructed from high quality copper cable, this design minimizes Near-End Crosstalk (NEXT) levels. The molded, snagless boot prevents unwanted cable snags during installation and provides extra strain relief. Available in a variety of colors to easily color-code your network installation.

## Features & Benefits

Snagless design protects clips when plugging and unplugging	Standard RJ45 connectors and unshielded twisted pair wires
Available in 10 colors to color-code a network	Available in lengths up to 150ft

## **Specifications**

General Info       Product Line     C2G     Color     Yellow       UPC Number     757120221050     Country Of Origin     China       Application Sector     Commercial, Industrial, Residential     Warranty Type     Lifetime       Type     Cable       Dimensions       Product Length US     1.0 FT     Cable Length     1 ft       Technical Information       Jacket Material     PVC (Polyvinyl Chloride)     Wire Gauge     24 AWG       Cable Type     Booted, Ethernet Patch Cable, Snagless, Unshielded (UTP)     Jacket Rating     Standard / Non-Rated       Adapter Rear     RJ-45 Male     Adapter Front     RJ-45 Male
