

C2G
Discontinued - 0.5ft (0.15m) Velocity™ Two RCA Stereo Male to One RCA Mono Female Y-Cable
Part No. CG-29122

This Velocity y-cable delivers excellent sound quality for today's audio applications. Twisted pair, oxygen-free copper wire and foam dielectric reduce distortion to optimize audio clarity. The low-loss 100% spiral-wound oxygen-free copper shielding offers protection against noise and interference. The color-coded, molded connectors attach to an ultra-flexible jacket to enable easy installation and identification.

The 24K gold-plated heavy duty connectors ensure long lasting sound quality from corrosion-free connections. Use this cable to connect mono audio to stereo audio equipment with dual RCA connectors.

Features & Benefits

Delivers excellent sound quality for audio applications
