

Featuring a chemistry of 99.3% tin and 0.7% copper, this lead-free solder alleviates concerns about the effects of lead on the body and on the environment. Ideal for general purpose soldering including PC board repair and tinning wires. Rosin in the solder core melts before the solder and chemically cleans the surfaces for a more reliable solder joint.

1mm diameter is suited for most soldering tasks. 1 pound roll is a generous amount for the avid electronics enthusiast or electronics professional.

Features & Benefits

99.3% tin and 0.7% copy	Rosin in the core for chemically cleaning during the soldering process
1 millimeter diameter	1 pound roll

Specifications

General Info

Product Line	C2G	Color	Silver
UPC Number	757120380276	Country Of Origin	Taiwan, Province Of China
Application Sector	Commercial, Residential	Warranty Type	Lifetime
Type	Tool		

Buy American Act Compliance

TAA Compliant	Yes
