

C2G 50ft (15.2m) Value Series[™] S-Video Cable Part No. CG-40918

Our s-video cable is constructed from high quality multiple conductors that deliver high quality video images. Separate conductors carry the Y-component (Chrominance) separately from the C-component (Luminance), to provide higher resolution and better picture quality than a composite video cable. Molded connectors with integrated strain relief; flexible PVC jacket.

Features & Benefits

Supports a S-Video signal Fully molded connector and strain relief

Flexible PVC jacket

Specifications
