

C2G

10ft (3m) Mini DisplayPort Male to VGA Male Active Adapter Cable - White Part No. CG-54681

The Mini DisplayPort Male to VGA Male Active Adapter Cable allows you to connect the Mini DisplayPort or Thunderbolt™ 2 output of a PC or Mac® to a projector or display which accepts a VGA input # making it an ideal solution for the office, work space applications, or home use. This adapter cable is a perfect accessory for Microsoft® Surface® products and other leading laptops.

The cable form factor of this adapter provides a simple and convenient solution that eliminates the need for a separate adapter and cable, reducing possible failure points.

This cable is a simple plug and play solution and carries an active video signal, supporting high-definition resolutions up to 1920 x 1200, allowing it to deliver a high quality video image to the connected display.
