

C2G  
**Discontinued - APW Mini-Max 3u (5.25in) Wallmount Patch Panel Bracket (4in deep)- Black**  
Part No. CG-08562

When minimum space is required, this heavy duty 16 AWG steel bracket is a great alternative to a full size rack. Designed for 19-inch equipment, the bracket's hinged design allows convenient wallmounting of patch panels and small equipment while it saves valuable floor space. Plus, it provides universal mounting for right or left hinging. Has black powder coat finish, and for EIA spacing, it accepts either 10-32 or 12-24 screws.
