

C2G

Discontinued - Wiremold® Uniduct 2800 Bend Radius Compliant Flat Elbow - Ivory Part No. CG-16009

We no longer directly offer these products. You can find it available to purchase with an account at <u>legrandav.com</u> as part numbers 2811FO, 2811FO-WH, and 2811FO-FW.

This flat elbow is the ideal solution for making a right angle turn on the same surface and connecting two pieces of raceway. The flat elbow attaches to the end of two pieces of raceway and allows cabling to make a turn while maintaining 1-1/4in (32mm) bend radius control and protecting bend sensitive cabling. Available in standard colors which match the raceway, this flat elbow features a smooth plastic finish, which is paintable with latex paint, and is designed to work with 2800 series raceway.
