

C2G
Discontinued - APW Mini-Max 2u (3.5in) Wallmount Patch Panel Bracket (12in deep) - Black
Part No. CG-18444

When minimum space is required, this heavy duty 16 AWG steel bracket is a great alternative to a full size rack. Designed for 19-inch equipment, the bracket's hinged design allows convenient wallmounting of patch panels and small equipment while it saves valuable floor space. Plus, it provides universal mounting for right or left hinging. Has black powder coat finish, and for EIA spacing, it accepts either 10-32 or 12-24 screws.
