

Connect to cellphones, GPS systems, PDAs, OTG devices and digital cameras by using the micro-USB connection on your computer or other USB device. The micro-USB connector is smaller and thinner than the previous USB Mini-b standard while offering better performance. Its small form factor is ideal for today's compact portable devices while easily transferring data or charging your device at a transfer speed up to 480 Mbps. This cable is compliant with USB 2.0 specifications and the On-The-Go supplement.

Please note: This is not a charging / data transfer cable for Samsung devices. Please see part 27364 USB A to Micro B for Samsung devices.

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120273622	Country Of Origin	China
Application Sector	Commercial, Residential	Warranty Type	Lifetime
Type	Cable		

Dimensions
