

C2G
Discontinued - 13W3 Male to HD15 Female Entry Level to Turbo GX Adapter (SUN# 130-3034)
Part No. CG-28279

Updated version of item #28278, 13W3 Male to HD15 VGA Female Pinning Adapter. Has revised signals and a resistor and therefore is compatible with the newer Sun® systems. This adapter connects Sun workstations to monitors, and Sun workstations to the new Sun monitors that have an HD15 VGA connector. Do not use with SGIs. Functionally equivalent to Sun® #130-3034.
