

## C2G Discontinued - 6ft (1.8m) Ultima™ 3-in-1 HD15 VGA M/F Desktop Extension Cable

Part No. CG-29633

This Ultima cable optimizes style, quality, and value in a cable specially designed for high performance. Universally designed to work with KVM switches from many leading manufacturers. This cable features separate keyboard, monitor, and mouse cable components combined into one cable that is separated at each end. The 3-in-1 design keeps your cable area better organized while color-coded connectors make this cable easy to manage.

The VGA component is built from premium coaxial cabling that ensures superior resolution by eliminating ghosting and fuzzy images. Connectors are PC-99 color-coded for easy plug-and-play installation.

Input Connector: One HD15 Male and Two PS/2 Male Output Connector: One HD15 Female and Two PS/2 Female
