

Add the finishing touch to your home theater or clean up the array of computer cables in your office. This insert is stamped from 20 gauge steel and painted to match your room decor. Use it in standard electrical boxes or mud rings, and with standard decorative wall plates for easy installation. HD15 female DB-style feed-through connectors provide a secure connection for VGA cables. The 3.5mm jack on the front connects by a 3in pigtail to another jack for easier connection of your audio cable.
