

C2G

 $\begin{tabular}{ll} \textbf{Discontinued - Trulink} \& \textbf{Component Video to HDMI} \& \textbf{Adapter Converter} \\ \textbf{Part No. CG-40240} \end{tabular}$

The Trulink Component Video to HDMI® Converter is the right solution for connecting a component video source to newer monitors or TVs that do not have a component video input. With an added dual RCA audio connection, enjoy high definition video and stereo audio. The converter is simple to use with no software or drivers required. Simply connect the converter and begin enjoying HDMI content on your display.
