

The HDMI Cable Lock is the perfect solution for preventing a HDMI cable from accidentally disconnecting from a HDMI port. The cable lock utilizes the fixing screw which appears above or below the HDMI port of a HDMI device, such as a HDTV or Blu-ray player. The universal design of this lock allows it to be used with any HDMI cable and the release tab allows the cable to be removed.

Features & Benefits

Prevents inadvertent disconnection of HDMI cable from port

Universal design is compatible with any HDMI cable

Release tab allows for the cable to be removed

Specifications
