

C2G
Discontinued - Right Angle Compression RCA Connector for Miniature Coax - 20pk
Part No. CG-40996

Quickly customize the length of your home theater or broadcast video cables with these connectors. Nickel-plated brass provides years of reliable service. These connectors are a breeze to install and more reliable than traditional hex crimp RCA connectors. Plus the right-angled positioning enables a cleaner installation of your flat panel monitor. Simply prepare 3- or 5-conductor miniature coax cable using the stripping tool (item #40998), insert the centerpin and compress it with the 3-in-1 compression tool (item #38011).
