

C2G Cable Tie Saddle Multipack (25-Pack) (TAA Compliant) Part No. CG-43046

Cable ties make wiring and cable installations clean and well organized. These cable tie saddles securely hold cable bundles in place. A through-hole in the center of the saddle accommodates the fastener of your choice. Simply mount the saddle in the desired place, thread the tie through the holes, and zip it around the cable bundle. 25 natural cable saddles per bag.
