

C2G
Discontinued - 1000ft (304.8m) Cat6 Bulk Unshielded (UTP) Network Cable with Solid Conductors - Plenum CMP-Rated - Gray
Part No. CG-43091

This plenum rated Cat6 cable is perfect for creating custom length horizontal network cable runs. This cable meets all Cat6 TIA/EIA standards, and is designed to reduce both impedance and structural return loss (SRL). Each of the individual pairs are constructed from high quality copper cable and are bonded together to help maintain the twist-spacing up to the termination point. This design helps to minimize Near-End Crosstalk (NEXT) levels. The cable is foot-marked on the jacket indicating the amount cable remaining spooled in the easy-to-use pull box.

Features & Benefits

Plenum, CMP-rated jacket	Solid conductor construction
Meets all Cat6 TIA/EIA standards	

Specifications

General Info

Product Line	C2G	Color	Gray
Application Sector	Commercial, Industrial, Residential	Warranty Type	Lifetime
Type	Cable		

Dimensions

Cable Length	1000 ft
