

The HDMI to DisplayPort Adapter Converter is the perfect solution for connecting devices with an HDMI output to a display with a DisplayPort input. The HDMI to DisplayPort Converter provides functionality that is not supported by other adapters that are designed to connect the DisplayPort output of a device and to a display which accepts an HDMI input. This Converter extends the life of a device, such as a Blu-ray player, which does not support a DisplayPort output by allowing it to be connected to a new display which accepts a DisplayPort input. The HDMI to DisplayPort Converter supports an output resolution of 1920x1200 and supports HDCP.

Note: This HDMI to DisplayPort Adapter Converter is designed to output a 1920x1200 resolution. The connected monitor must support a 1920x1200 resolution for video to be displayed.

Features & Benefits

Easy device compatibility ensures that the converter can be used with a wide range of devices

High-resolution support ensures clear and reliable video performance

Compact and portable design makes the converter ideal for use on-the-go

Plug-and-play installation allows for easy setup without the need for additional drivers or software

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120541790	Country Of Origin	China
Application Sector	Commercial, Residential	Warranty Type	5-Year
Type	Active Device, Adapter, Converter		

Dimensions

Product Width US	1.69 in	Product Height US	0.9 in
Product Length US	3.02 in
