

The HDMI to DisplayPort Adapter Converter is the perfect solution for connecting devices with an HDMI output to a display with a DisplayPort input. The HDMI to DisplayPort Converter provides functionality that is not supported by other adapters that are designed to connect the DisplayPort output of a device and to a display which accepts an HDMI input. This Converter extends the life of a device, such as a Blu-ray player, which does not support a DisplayPort output by allowing it to be connected to a new display which accepts a DisplayPort input. The HDMI to DisplayPort Converter supports an output resolution of 1920x1200 and supports HDCP.

Note: This HDMI to DisplayPort Adapter Converter is designed to output a 1920x1200 resolution. The connected monitor must support a 1920x1200 resolution for video to be displayed.

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120541790	Country Of Origin	China
Application Sector	Commercial, Residential	Warranty Type	5-Year
Type	Active Device, Adapter, Converter		

Dimensions

Product Width US	1.69 in	Product Height US	0.9 in
Product Length US	3.02 in
