

With a wide selection of snap-in modules, our flush-mount keystone wall plates will fulfill the most complicated station installation requirements. A variety of jacks and connectors will fill the wall plate openings. Since the inserts are a snap to install and remove, you can have a highly adaptable and professional-looking cabling system. Plus, we provide write-on designation labels with holders for easy identification among different systems or stations.

Compatible with NEMA standard openings and boxes, this wall plate will mount to any electrical or surface mount box, and work with any keystone jacks or keystone inserts.

## Features & Benefits

Compatible with multiple snap-in keystone jacks

NEMA-compatible

Easy to snap in and out keystones for updates

## Specifications
