

**C2G**  
**Decorative One Cutout Single Gang Wall Plate - White**  
Part No. CG-03725

Bring voice, data, audio and video together in one wall plate. Ideal for residential wiring, this insert adds style and function to any wiring system. Plus it provides convenient flexibility. Simply choose the keystone insert or keystone jack combination you need, snap it into the keystone insert, and finish the job with our decorative wall plate. Also compatible with NEMA standard openings and boxes, this wall plate will mount to any electrical or surface mount box, and accepts most keystone snap-in modules.

## Features & Benefits

- Voice, data, audio, and video integration:** The wall plate allows for the consolidation of various types of connections in one place.
- Residential wiring:** Designed specifically for residential use, it enhances the functionality and aesthetics of any wiring system.
- Keystone insert compatibility:** The wall plate is compatible with keystone inserts, allowing for easy customization and flexibility.
- Decorative wall plate:** It adds style to the wiring system, enhancing the overall appearance of the room.
- Compatibility with NEMA standard openings and boxes:** The wall plate can be mounted on any electrical or surface mount box that adheres to the NEMA standard.
- Accepts most keystone snap-in modules:** It is compatible with a wide range of keystone snap-in modules, providing versatility in connection options.
- Convenience:** The wall plate simplifies the installation process by allowing users to choose the desired keystone insert or jack combination and easily snap it into place.
- Aesthetics:** The decorative wall plate enhances the visual appeal of the wiring system, making it more pleasing to the eye.
- Customization:** With the compatibility of keystone inserts, users can easily customize the wall plate to meet their specific connectivity needs.
