

11U Swing Out Wall Mount Open Frame Rack - 18in Deep (TAA Compliant) Part No. CG-14615

This Swing Out Wall Mount Open Frame Rack is an ideal solution for mounting network and telecom equipment in applications where space is a premium and a full size rack or cabinet cannot be used. The front swing gate has latch pins and bolts on both sides that allow the swing gate to open either left or right for easy access to rear of panels and equipment. The mounting rails feature #12-24 threaded EIA hole pattern which are standards compliant to mount up to 75lbs of 19in panels and equipment . Slots on the rear accept cable straps for cable management. The side panels fold flat for shipping and easily unfold for onsite assembly.
