

## C2G Lava™ 1-Port ISA Bi-Directional Parallel Card (TAA Compliant) Part No. CG-16642

100% manufactured and tested within the United States, this cable meets the stringent requirements for anyone who needs to procure products exclusively manufactured in the USA. For voice/data/video distribution, this cable will handle bandwidth-intensive applications. Meets all TIA/EIA Cat6 standards, and drastically reduces both impedance and structural return loss (SRL).

Constructed from high quality cable and a shortened body plug, this design minimizes Near-End Crosstalk (NEXT) levels. The molded, snag-free boot prevents unwanted cable snags during installation and provides extra strain relief. Available in a variety of colors to easily color-code your network installation.

### Features & Benefits

Supports Bi-Directional data transmission

Standard bracket configuration

### Specifications

#### General Info

Product Line	C2G	UPC Number	757120166429
Country Of Origin	Canada	Application Sector	Commercial, Industrial, Residential
