

C2G  
**32.8ft (10m) MTP® Compatible MPO to MPO Fiber Array Cable Type B OM4 Riser Rated (OFNR)**  
Part No. CG-31317

This riser rated OM4 laser-optimized multimode (LOMMF) MPO fiber array cable is ready for deployment in any multimode 50/125 MTP/MPO network. OM4 is fully backward-compatible with existing OM3 systems. This multimode, MPO fiber cable is comprised of 12 fiber channels within each connector. This high density MPO fiber cable is pinned out in type B format and is comprised of 12 fiber channels within each connector which is perfect when space is limited and makes it possible to run a single cable that automatically terminates 12 fibers in one easy plug-in. The push-pull release mechanism for the MPO connector is easy to engage and disengage, its latch design also prevents the plug from snagging when jumper cables are being routed.

## Features & Benefits

Type B pinout	No guide pins on either MPO connector
The MPO connector has a push pull spring loaded release	Riser rated (OFNR) Jacket
3mm jacket outer diameter	

## Specifications

### General Info

Product Line	C2G	Color	Aqua
UPC Number	757120313175	Country Of Origin	China
Type	Cable		

### Dimensions

Product Length US	32.8 FT	Cable Length	33 ft
-------------------	---------	--------------	-------

### Technical Information

Fiber Optic Cable Type	MPO, MTP, Multimode, OM4	Jacket Material	PVC (Polyvinyl Chloride)
Jacket Application	Riser Rated	Jacket Rating	FT4 Rated, OFNR Rated
Cable Diameter	3 mm
