![C2G - A brand of Legrand]

C2G
**RapidRun® Double Gang Integrated VGA (HD15) + 3.5mm + Composite Video + Stereo Audio + (4) Keystone Wall Plate - Brushed Aluminum**
Part No. CG-60029

Use with a Multi-Format Runner for projectors and any display requiring an HD15, 3.5mm audio and RCA audio/video connection

## Features & Benefits

Double gang design allows for the integration of multiple audio and video connections into a single plate, reducing clutter and simplifying installation

Four Keystone ports provide additional customization options for added flexibility, allowing for the plate to be configured to the user's specific needs

Integrated VGA (HD15) + 5mm + Composite Video + Stereo Audio connections provide versatile audio and video signal transmission options, making it compatible with a wide range of devices

Brushed aluminum finish provides a sleek and professional look, making it ideal for use in a wide range of applications

## Specifications
