

Use with a Multi-Format Runner for projectors and any display requiring a VGA and 3.5mm audio connection

Features & Benefits

Double gang design allows for the integration of multiple audio and video connections into a single plate, reducing clutter and simplifying installation

Integrated VGA (HD15) + 5mm + Keystone connections provide versatile audio and video signal transmission options, making it compatible with a wide range of devices

Keystone ports provide additional customization options for added flexibility, allowing for the plate to be configured to the user's specific needs

White finish provides a sleek and professional look, making it ideal for use in a wide range of applications

Specifications

General Info

Product Line	C2G	Color	Aluminum
--------------	-----	-------	----------

UPC Number	757120600565	Country Of Origin	China
------------	--------------	-------------------	-------

Application Sector	Commercial, Residential	Warranty Type	Lifetime
--------------------	-------------------------	---------------	----------

Type	Keystone, Wall Plate
------	----------------------

Dimensions

Product Width US	4.5 in	Product Height US	4.52 in
------------------	--------	-------------------	---------

Cable Length	5.12 in
--------------	---------

Technical Information

Wire Gauge	24 AWG	Video Resolution	UXGA (1600x1200)
------------	--------	------------------	------------------

Number of Gangs	2	Data Transfer Rate	10.2 Gbps
-----------------	---	--------------------	-----------

Adapter Rear	RapidRun 15-pin Male	Adapter Front	VGA Male, RCA Composite Video Male, RCA Stereo Audio Male, 3.5mm Stereo Male
--------------	----------------------	---------------	--
