

Wireless USB Hub And Adapter Kit

Enjoy wireless access to as many as four USB devices up to 30 feet away

It has never been more convenient to print, scan, back-up files, download pictures, listen to music and much more! Thanks to a secured wireless connection between your computer and the hub, you can easily connect as many as four USB devices and access them wirelessly up to 30ft away. With quick, easy setup and full support for USB devices, it's a great way to minimize the jumble of cables and maximize your work space.
