

PRICOM H-260U for hp printers

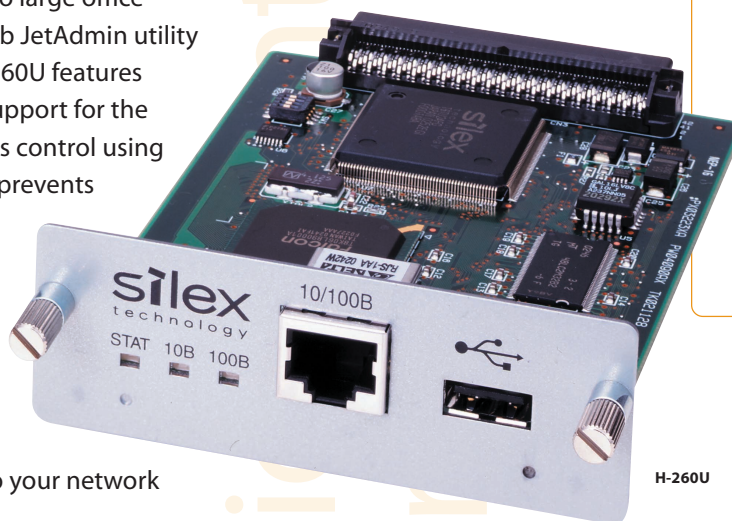

INTERNAL EIO PRINT SERVER

The PRICOM H-260U is a high performance internal print server uniquely designed to connect two printers on the network; hp printers with EIO slots and any other USB printer. It is dual printer support for the price and convenience of one print server.

The PRICOM H-260U, a multi-protocol 10/100 TX print server, is fully compatible with today's network environments. It is ideal for today's businesses from SOHO to large office settings. It is also compatible with the hp Web JetAdmin utility for device control and management. The H-260U features leading-edge network capabilities such as support for the latest Internet protocol, IPv6, as well as access control using IP Filtering, a high level security feature that prevents unauthorized access to network printers.

WHY THE PRICOM H-260U?

- > Compatible with hp printers with an internal EIO slot
- > Supports hp Web JetAdmin
- > No additional cost to add a USB printer to your network
- > IP Filtering allows the network administrator to control who may or may not access a network printer
- > Full featured protocols supported; TCP/IP, Novell NetWare®, AppleTalk and the latest Windows®
- > Multi-operating system support including Windows, NetWare, Mac OS and UNIX/Linux
- > Built-in flash ROM for easy firmware upgrade
- > IPP version 1.0 allows printing via the Internet

COMPATIBILITY IS NEVER AN ISSUE

The PRICOM H-260U is compatible with hp EIO printers. It also supports the Web JetAdmin utility, so you can centrally configure, manage and monitor the PRICOM H-260U the same way, if you are a Web JetAdmin user. Visit our web site for the latest list of compatibility results.

INTELLIGENT, TWO-FOR-ONE CONNECTIVITY

Now you can maximize your single investment. The PRICOM H-260U delivers silex's intelligent use of USB technology. You connect one hp printer using the internal EIO slot, plus one additional USB printer to your network without having to pay for an additional print server. A great solution for inkjet or low cost laser printer connectivity.

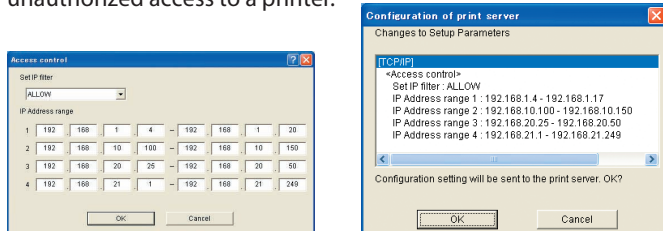

POINT AND CLICK USABILITY

With silex's on-screen Quick Setup wizard, configuring the PRICOM H-260U is as easy as point and click. And for the network administrator or experienced user, the Admin Manager configuration and management utility makes it simple to manage multiple devices over the network.

SECURITY LIKE NEVER BEFORE

silex's IP Filtering allows the network administrator to limit access to a printer utilizing specific IP addresses or a range of IP addresses via the embedded web server using any web browser. No more unauthorized access to a printer.

DESIGNED FOR THE FUTURE

IPv6, anticipated to replace IPv4 as the new Internet protocol standard, enables growth of the Internet by expanding the current IP address standard, clearing the way for a virtually unlimited number of user addresses, a critical issue for many areas of the world where IPv4 user addresses are in short supply. The PRICOM H-260U Print Server supports the new, advanced Internet protocol so users position themselves for future compatibility.

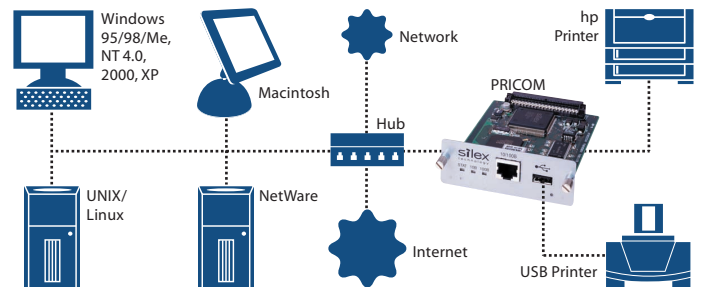

silex, A GLOBAL LEADER

For over a decade, silex technology, a global leader in embedded network printing technology, has designed, manufactured and marketed leading-edge print servers to printer manufacturers helping businesses improve the way they move information. Now, silex brand products are available worldwide. For more information about how the PRICOM H-260U Print Server can improve the productivity of your business, contact us at the sales office nearest you or visit one of our web sites.

TECHNICAL SPECIFICATIONS

Supported OS	Windows 9x, Me, NT 4.0, 2000, XP Sun OS, Solaris, HP-UX, IBM AIX, Linux NetWare 3.x/4.x/5.x/6 (Bindery/NDS) Mac OS 7.6/8.x/9.x, Mac OS X
Supported protocols	TCP/IP LPD, IPP ¹ , Raw socket #9100 ² , FTP, HTTP, TELNET, SNMP, DDNS, DHCP, BOOTP, RARP, TCP, UDP, ARP, IP, ICMP NetWare IPX, SPX, NDS, Bindery, R/N/PRINTER AppleTalk PAP, ATP, ZIP, RTMP, NBP, DDP, AARP, AEP, ELAP Windows NetBEUI, NetBIOS over TCP, WINS
Configuration	hp Web JetAdmin compatibility for configuration and management ³ Quick Setup utility, Admin Manager utility, Web Browser, TELNET
Printer interface	hp EIO compliant interface x 1 USB 1.1/2.0 Full-Speed A type x 1 ⁴
Network interface	10 Base-T / 100 Base-TX (Auto-detection)
Language	English, Chinese, German, French ⁵
Warranty period	2 years
Power consumption	4.0 watts (max 1.25A)
Regulatory approvals	FCC, CE, VCCI Class A
Package contents	PRICOM H-260U print server, Quick Setup Guide poster, CD-ROM with configuration utilities and PDF manual
Dimension (WxDxH)	3.5 x 5.3 x 1.25 in / 89 x 134 x 32 mm
Weight	3.2 oz / 90 g

¹ IPP (Internet Printing Protocol) Version 1.0.
² For EIO port only.
³ Restriction may apply depending on printer model.
⁴ CAUTION: Only a USB printer with its own power supply can be connected to the USB port, otherwise the connected printer/device may be damaged.
⁵ German and French are available for Quick Setup Guide poster only.
