

TruLink® 4X2 HDMI® Matrix Switch

4 inputs and 2 outputs for flexible audio/video distribution

Simultaneously route any four source devices to your choice of two monitors/displays, or deliver one signal to both displays. Connect all your HDTV products such as DVD players, satellite receivers, cable set-top boxes or gaming systems and watch any picture on any of two plasma, CRT, LCD or projection televisions with complete independence!

The TruLink HDMI Matrix Switch supports all video resolutions up to full 1080p high definition, and is compatible with HDCP and DDWG standards. The attractive device may be placed on a shelf or mounted in a 19" professional rack. Display selections may be made with the included command remote control, front panel buttons, or via RS-232 for seamless integration in more advanced control systems. Now you can take control of your system and watch what you want, where you want, with no compromises.

Specifications

- HDMI Inputs: 4 / Outputs: 2
