

SanDisk Sansa® Compatible Travel Kit

Part #35518

User Manual

Introduction

Thank you for purchasing the SanDisk Sansa® Compatible Travel Kit. The SanDisk Sansa® Compatible Travel Kit by Cables To Go provides the connections you need at home or on the go. The convenient travel case keeps all your cables and chargers in one place while also providing a pocket to hold your Sansa. The USB sync/charging cable can plug into your computer, into the wall charger, or into the car charger so you can charge your Sansa no matter where you are! The USB sync/charging cable also lets you download files from your computer to/from your Sansa. The headphone splitter cable lets you share your music with someone else while the 3.5mm cable lets you play music from your player over your speakers. Whether you are at home or on the road, the Sansa Compatible Travel Kit is ideal for organizing all your Sansa compatible accessories.

- Light-weight, durable travel case holds all your accessories in one place
- Download files from your computer to your Sansa with the USB sync/charging cable
- Charge your Sansa from your computer, or car or wall outlet
- The headphone splitter allows multiple listeners to share the device
- Play music from the Sansa over your speakers or car stereo using the 3.5mm audio cable
- Works with Sansa c140, c150, c240, c250, e250, e260, e270, e280
