

Each modem serial cable is designed for long-lasting integrity, regardless of modem baud rates. Plus the cable is fully molded and foil shielded for EMI/RFI protection from surrounding office equipment and fluorescent lights. Thumbscrew connectors provide a fast, easy connection every time. The hoods have long, easy-to-grip, slotted thumbscrews for neat, easy and durable connections.

## Features & Benefits

Shielded to prevent unwanted EMI/RFI interference

Fully molded cable design

Connector thumbscrews for a quick and easy connection

## Specifications
