

C2G
Discontinued - 10ft (3m) Economy HD15 SVGA M/F Monitor Extension Cable
Part No. CG-02718

Move your monitor further away from your PC for more flexibility. This cable is constructed from 28 AWG wire, and is foil shielded to protect your short cable runs from EMI/RFI interference. The fully molded connectors have easy-to-use extra long thumbscrews for a fast connection. Use this cable for video presentations, classroom environments or just for organizing your work area for maximum comfort and efficiency.

SVGA provides a screen resolution of 800 x 600 pixels.

Please Note: Pin 9 is not loaded. Pin 9 is not required for standard computer video applications.
