

Get a reliable connection between your PC and uni-directional, dot-matrix, or older laser printer. Tough enough for use in industrial settings. Fully molded for excellent strain relief, this cable also provides excellent foil shielding to protect valuable data from EMI/RFI interference. Each connector is designed with slotted, textured thumbscrews to make attachment and removal easy. All 25 conductors are wired for ease of compatibility.

Features & Benefits

- Converts a DB25 male connection to a Centronics 36 male connection
- Shielded to prevent unwanted EMI/RFI interference
- Fully molded cable design
- Connector thumbscrews for a quick and easy connection
