

Save the time and hassle of downloading to a disk altogether when transferring data from a laptop to a desktop with this Laplink-compatible cable. Just directly download data from your serial port. Simply use a download program like Laplink or Interlink™ and choose either the 9-pin or 25-pin serial port on your computer. Cable is fully shielded and molded, and it carries a lifetime guarantee.

Please Note: Laplink® is a registered trademark of Laplink Software, Inc. This product is not manufactured or endorsed by the Laplink Software, Inc.

## Features & Benefits

Allow for a direct download of data from a serial port

Molded design provides a solid connection

Fully shielded against outside EMI/RFI interference
