C2G
Discontinued - 10ft (3m) 8-pin Mini Din Male Mac® to DB25 Male Hayes-Compatible Modem Cable
Part No. CG-02996

Connect your Apple® or Macintosh® computer to a standard PC modem. This foil-shielded, fully molded cable protects data integrity from outside noise caused from EMI/RFI interference. The hoods have office quality appearance with long, easy-to-grip, slotted thumbscrews for neat and easy connections, all with an industrial strength robustness. For custom lengths or special handshaking configurations, just give us a call.
