

Bring voice, data, audio and video together in one wall plate. Ideal for residential wiring, this insert adds style and function to any wiring system. Plus it provides convenient flexibility. Simply choose the keystone insert or keystone jack combination you need, snap it into the keystone insert, and finish the job with our decorative wall plate. Also compatible with NEMA standard openings and boxes, this wall plate will mount to any electrical or surface mount box, and accepts most keystone snap-in modules.
