

Our keystone snap-in modules provide a full range of solutions for voice, home networking, home office, audio/video and more. With the wide selection of snap-in modules, you can custom-configure your keystone wall plates and patch panels for greater control and more flexibility. Use this coupler for ST fiber applications; just snap it into patch panels, compatible wall plates and surface boxes.

Features & Benefits

- Available in different colors to match housing or allow color-coded port designation
- Custom-configuration of keystone wall plates and patch panels
