

Featuring a compact, easy-to-install design, this box can be used for different configurations of jacks and connectors for maximum installation flexibility. Snap-in inserts can provide a custom-configured system to meet your needs. Breakouts are located on three sides of the box for raceway or cable entry. Modules can be easily snapped out the front of the box so that changes can be made without opening the box. Box has studs for cable tie fastening.

Please Note: Keystone jacks not included and are sold separately.
